

A BETTER CLEAN WITH MICROFIBER

RELINTLESS™
LOOPED-END MICROFIBER WET MOP

Superior performance and durability

Join the microfiber revolution with Golden Star's Relintless wet mop. Get the superior performance of microfiber clean combined with the rugged durability of a looped-end wet mop. The Relintless mop glides smoothly over rough, abrasive floors providing the ultimate clean. Its unique microfiber blend picks up even the smallest dirt particles for deep cleaning. True to its name, the Relintless mop won't shred or lint on abrasive surfaces making it the ideal choice for use in clean rooms, healthcare facilities and electronic and computer environments.
